

St. George's Primary School **NEWSLETTER 7 - 12th January 2012**

Dear Parents,

Thank you for supporting our Christmas activities.

The children have settled well to school routines for the New Year, and we look forward to a successful 2012. Our annual music concert afternoon and Spring Parent Teacher evenings will be held in March, but in the meantime please contact class teachers if you have any particular issues you wish to discuss regarding your child's learning in class.

Health and Safety

Please can I remind parents not to drive into the staff car park when dropping off children at the start of the school day. Concerns have been raised about some parents driving in and out of school as children are walking along the school path. Our narrow driveway does not allow for two way traffic and there is an obvious danger to pedestrians if cars are flowing in both directions. Please mention this to friends or family members who may be transporting children on your behalf. Thank you for your cooperation regarding this matter.

Stamford Schools' Cluster

Following the success of the Christmas holiday activities, Stamford Schools' Cluster have organised a 3 day art activity course in the February break. Please see attached sheet.

KS2 SATS (Year 6 pupils)

A reminder for parents of Year 6 pupils that KS2 SATS will take place on Monday, 14th May to Friday, 18th May and all children must attend each day during this week. No absences/holidays can be authorised for this time, and as usual we are pleased that parents have supported us in 100% attendance each year.

Entry to Reception Class - September 2012

The deadline for registering your child to start school in Reception 2012 is 20th January 2012. Applications should be made to Lincolnshire County Council. Please call in to the school office if you need any help to do this.

Plastics 2020 Challenge

Following a very successful full day workshop held in school by the Marine Conservation Society, our school is taking part in the Plastics 2020 Challenge. We are collecting plastic bottle tops (including milk container tops) in school and we hope to raise 3500 to exchange for a new sports kit. Please help us by collecting plastic bottle tops and sending them into school.

Adult Yoga Classes

The school hires out the hall for adult Yoga classes on Wednesday evenings from 7.45 to 9.15pm. If you are interested in taking part, please ring Nicky on 07739 589810 to book a free trial lesson.

Please do not hesitate to contact me if you have any queries.

Carol Dunlop,
Head Teacher.
