

Maths This term will be completing our work on shape before working with money, recognising coins and practising our addition and subtraction skills. We will then move onto multiplication and division, learning the 2s, 5s and 10 times tables. We will then move on to measures: length, height, mass and capacity.

DT/ Art This term is Art and we will be looking at life in

colour, using paint and mixed media to explore primary and secondary colours.

Geography/History In Geography, we will be asking the question, Why is our world so wonderful? We will explore world landmarks and as well as oceans.

Music—Singing The children learn folk songs and create sounds to represent three contrasting landscapes: seaside, countryside and city.

Year 2 Spring Term 1 on a page

Science

This term year two will be learning about habitats. We will look at what habitats are and exploring different habitats from polar to desert.

Computing

We will be using Purple Mash to understand the internet and how to search safely.

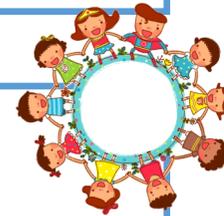

PE

This term's focus will be dance and movement considering shape and timing.

PSHE - Dreams and Goals.

We will look at what it means to have a dream and a goal and how we can achieve it.

English

We will be focusing on the story of Little Red Riding Hood in order to write letters and character descriptions. All our grammar and spelling skills will be put to the test and constantly revisited.

RE

This term we will continue our work on being thankful, looking at the Jewish faith and how they show their gratitude to God and the world we live in.

Important Notes

PE Day: Monday and Friday

Termly Value: Thankfulness

Homework: Out on a Thursday and in the following Wednesday on Purple Mash.
