

Year 2 Autumn Term 2 on a page

Maths — We will be using our knowledge of numbers to 100 from term 1 and applying this to help us develop our addition and subtraction skills in term 2. We will finish the term with some work on shapes.

Science

This term we will be continuing our learning about animals and humans looking at living things and their habitats and how they are all dependent on each other.

English

We will continue into term 2 with a focus on grammar, looking at conjunctions and how we write more complex sentences. Once we have mastered the basics we will move on to reading and analysing non-chronological texts and writing our own.

DT This term is DT and our unit of work is called, Baby Bear's Chair. We will look at what shapes and materials make strong structures.

Computing- We will be looking at photography and will gain experience capturing, editing, and improving photos.

History In History, we will be investigating the question, How was school different in the past? We will look back and compare classrooms and learning using historical sources.

PE

This term's focus will be on yoga as well as the fundamentals of fitness.

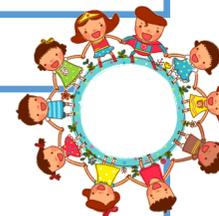

Music — We will be exploring sounds linked to weather and seasons and of course preparing for Christmas performances.

PSHE

Children will be celebrating difference and what makes people difference from me.

RE —

This term we will be looking at the question, Why does Christmas matter to Christians? We will revisit the Christmas story, look at symbols of Christmas and think about how and why we celebrate this time of year.

Important Notes

PE Day : Wednesday and Thursday

Termly Value:

Homework: Out on a Thursday and in the following Wednesday.
