

Let your light shine!

# Year 2 Spring Term 2 on a page

## Maths

The term will start with multiplication and division, learning the 2s, 5s and 10 times tables and how numbers and objects can be grouped equally. We will then move on to measures: length, height, mass and capacity.

**DT/ Art** This term is DT we will be healthy eating. We will be designing and making a healthy wrap using our cutting, chopping and grating skills.

**Geography/History** In History, we will be investigating the question, How did we learn to fly? We will learn about individuals who have contributed to the history of flight.

**Music** We will be practising songs ready for Easter as well as exploring contrasting dynamics under the theme of space.

**Science** This term we will be learning about Humans, how diet and exercise impact the body. During **Science week**, we will be looking at sustainability and protecting the amazing world we live in.

## Computing

We will be creating pictures using digital media and inspired by well-known artists.

## PE

This term's focus will be ball skills (throwing and catching) as well as target games.

## PSHE

Children will learn about healthy food and snacks and how it impacts on the body.

## English

We will start the term by focusing on the amazing book, The Storm Whale. We will be exploring the book as readers and as writers before writing our own version of the story. Linked to our work in Science, DT and PSHE, we will also be writing a persuasive text encouraging people to be part of the Super Vegetable Crew!

## RE

This term we will build up to Easter, learning the story Holy Week as well as symbols of Easter and what they represent. We will learn the importance of hope to Christians.

## Important Notes:

**PE Day** : Tuesday and Wednesday

**Termly Value**: Forgiveness

**Homework**: Out on a Thursday and in the following Wednesday on Purple Mash. **READING BOOKS CHANGED ON A THURSDAY.**
