

'let your light shine!'

Year 2 Summer Term 1 on a page

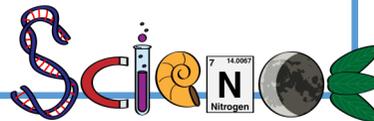

Maths

This term we will be working on fractions and starting work on measures, looking at length and height.

Science

We will be looking at plants and what they need to grow. We will be planting our own seeds and bulbs and carrying out investigations.

English

This term we will be focusing on our inspirational person, Sir David Attenborough. We will be reading all about him and retrieving facts so we can write a short biography of his life, while developing our language and grammar skills.

DT/ Art

We will be getting hands on with sculpture and clay and making 3D houses.

Computing We will be looking using Purple Mash to help us understand spreadsheets. We learn how to organise information in columns and rows and how to calculate.

Geography/History What is it like to live by

the coast? Naming and locating continents and oceans of the world while revisiting countries and cities of the UK and surrounding seas. Children learn about the physical features of the Jurassic Coast and how humans have interacted with this, including land use and tourism.

PE

This term we will focus on invasion games as well as net and wall skills.

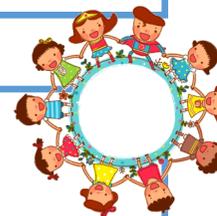

Music We will be exploring and looking at structure, experimenting with and ordering rhythms. We will be creating our own compositions.

PSHE

The theme this term is relationships. How to have positive relations and how to resolve conflicts.

RE

This term and next we will be learning all about the Islamic Faith. We will learn about what it means to be Muslim and why it is so important to them. We will be comparing what we learn with Christianity.

Important Notes

PE Day : Monday and Wednesday.

Termly Value: Respect

Homework: Out on a Thursday and in the following Wednesday on Purple Mash.
