

# Welcome to Purple Mash

Dear Parent / Carer,

Your child's school has recently subscribed to Purple Mash. Purple Mash offers a wide range of creative tools, games, and resources for primary school students aged 3 to 11. It covers various subjects, including mathematics, literacy, science, computing and more, providing interactive activities and resources aligned with the National Curriculum. The platform aims to make learning fun and engaging while promoting digital literacy and critical thinking skills.

## Logging In

Your child will be able to access Purple Mash using the unique login card that the school has provided them.

## Key Features

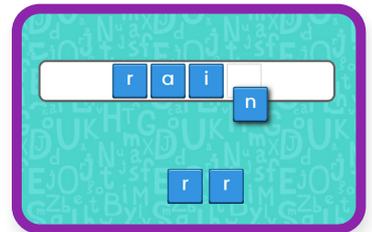

### Maths

Develop and consolidate maths skills through quizzes, end of unit tests and games.

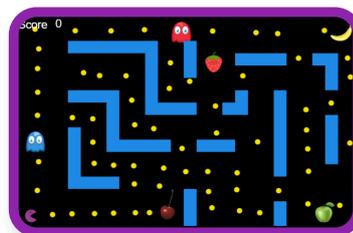

### English

With weekly spellings to practice, comprehensive grammar resources, non-fiction texts and opportunities for writing across the curriculum, Purple Mash helps to develop writers and readers of all ages.

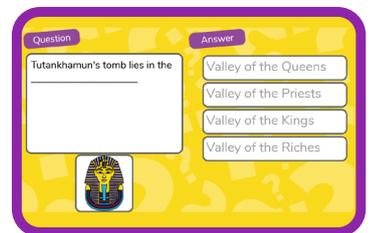

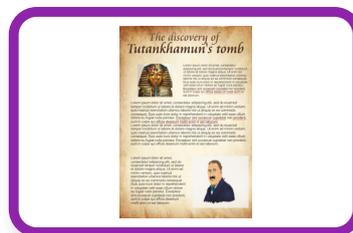

### Computing

The computing area helps children to learn key computing skills including coding, data handling, animation, game creation as well as industry standard office software.

### Other subjects

With resources to enhance curriculum topics in all year groups, Purple Mash will support your child's knowledge and understanding in all school subjects.

### MiniMash

A resource built especially for younger learners. This develops learning through games and activities, preparing your child for Key Stage 1.

## How you can support your child.

To begin with, it's a good idea to log in to Purple Mash with your child's login and familiarise yourself with the menu icons at the top of the screen. These are:

Check if the teacher has set any work for your child to complete at home. Complete the work, save the file and click **hand in** for the teacher.

Look out for showcased work your child may have shared to a display board.

Look in your child's folder to see any work they have created and saved on Purple Mash.

Check if your child has received any rewards for working hard or producing work to a high standard.

If you need any support, please contact the school.

Happy Mashing

The Purple Mash team.
