

Weekly Newsletter Monday 14th September 2026

Message from the Head of School

What a lovely first full week back at school we've had! The children are settling in really well and adapting brilliantly to their new routines.

It was so lovely to see so many parents at school on Wednesday evening for our Open Classrooms. Thank you to everyone who was able to join us—it was great to see you!

If you weren't able to make it, the presentations are now available on the class page on the school website.

From now on, our newsletter will be sent out to parents every Monday. It will include a little look back at the week that's just gone, along with any important reminders, events and things to look out for in the week ahead.

We hope you enjoy keeping up to date with all that's happening in school!

Best wishes,

Mrs Fleming

Eco Coach Wraparound Care

🌟 EcoCoach Wraparound Care Update 🌟

What a wonderful start to the new term we've had at EcoCoach Wraparound Care! It has been lovely welcoming our returning children back into their new classes, as well as getting to know some new faces. We've had a fantastic first week filled with creativity, kindness, friendship, and plenty of fun!

From exciting sports games and sensory activities to biscuit decorating and dance challenges, there has been something for everyone to enjoy.

🧠 Creativity and Crafts

Our creative children have been busy decorating biscuits and taking part in a variety of arts and crafts activities. They have created some beautiful pictures to display around the provision, helping to spread positive messages, kindness, and friendship. We have also enjoyed painting, card making, bracelet making, loom band challenges, and lots more creative projects.

🎲 Board Games and New Skills

This term, we will be encouraging the children to develop new skills through a range of traditional and new board games. Ludo has already become a firm favourite, with plenty of friendly competition and lots of laughter!

A special well done to Skyla and Florence, who have been fantastic role models this week. They have taken the time to help younger children learn how to play the games, welcome new children to EcoCoach, and spread kindness and encouragement. We are very proud of them!

🧸 Imaginative Play

Imaginative play has also been a big hit, with the children caring for their animal toys and Barbies, hosting picnics and tea parties, and becoming doctors and nurses to help their toys feel better. It has been wonderful to see their creativity and imaginations come to life.

⚽ Sports and Outdoor Fun

Sport continues to be a favourite at EcoCoach! The children have enjoyed football, hockey, golf, running games, gymnastics, dance routines, and practising performances on our outdoor stage. We've made the most of every opportunity to get outside, enjoying the sunshine as well as having fun in the rain!

🍂 Looking Ahead

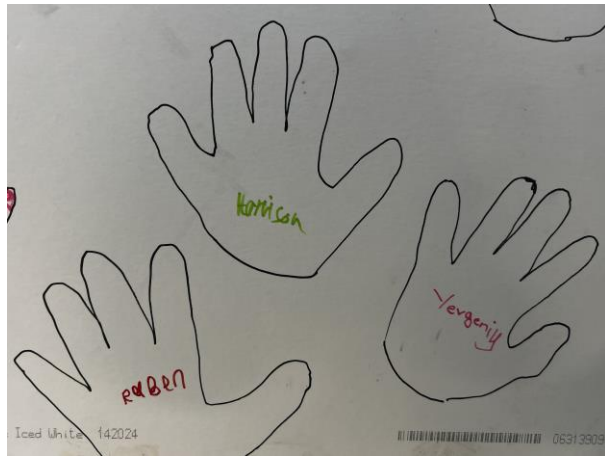

We are excited to welcome everyone back next week, including more new faces, for another fantastic week at EcoCoach. We have lots of exciting autumn activities planned, including arts and crafts, sports challenges, gymnastics, outdoor adventures, and plenty of opportunities for friendship, creativity, and fun.

☁️ Autumn Weather Reminder

As the weather becomes cooler and wetter, please remember to send your child in with a suitable coat each day so they can continue enjoying our outdoor activities comfortably.

📷 Please enjoy the attached photographs showcasing some of this week's wonderful activities and achievements!

Active School Travel Survey

Dear Parents/Carers,

Please take part in this survey by 14th October 2026 Take part in this survey to share your experiences of walking, wheeling, or cycling to primary school, and what could make it better.

Our school has agreed to take part in a project about walking, wheeling and cycling to school. The survey is run by the National Centre for Social Research (NatCen), Britain's largest social research organisation.

NatCen is running the survey for Active Travel England, who work to make walking, wheeling and cycling a safe and attractive choice for everyday trips.

The online survey should take around 10 minutes and should be completed by **14th October 2026**. To take part, please use the following link

survey.natcen.ac.uk/mriWeb/mriWeb.dll?i.Project=P2042601_MAI_V1&i.user1=132741

Please note: Taking part is your choice. There are no right or wrong answers. You can complete the survey once for each child in reception, year 1, year 5 or year 6. Your child does not have to regularly walk, wheel or cycle to school for you to take part in the survey.

What will I be asked? How you / your child travels to school. What helps or makes it hard to walk, wheel or cycle to school. What you think about changes to help children travel actively to school.

More information about the project and what taking part involves can be found in the [Taking part page](#), [privacy notice](#) and [plain English privacy notice](#). You can also email ASTSurvey@natcen.ac.uk or call 0808 168 1356 for more information.

CHILDREN'S COMMISSIONER

THE BIG FUTURE

The Children's Commissioner, Dame Rachel de Souza, has launched The Big Future survey.

It's your chance to have your say on what it's like to be a child or young person in England today - what you love, what worries you, how you have fun, and the changes you want for a better future.

There are questions about voting, school, your area, online safety, and space for you to tell her what you think is important!

It takes less than 10 minutes to complete the survey.
